KPSAHS STUDENT TUITION RECOVERY FUND FORM

The Student Tuition Recovery Fund (STRF) was established by the Legislature to protect any California resident who attends a private Postsecondary institution from losing money if you prepaid tuition and suffered a financial loss as a result of the school closing, failing to live up to its enrollment agreement, or refusing to pay a court judgment.

The State of California requires that a student attending such an institution and who pays his or her tuition to pay a state-imposed assessment for STRF. Therefore, KPSAHS is required to collect a STRF assessment from each eligible student of fifty cents (\$.50) per one thousand dollars (\$1,000) of institutional charges, rounded to the nearest thousand dollars. For institutional charges of one thousand dollars (\$1,000) or less, the assessment is fifty cents (\$.50). This is a one-time assessment to be paid by the student at the beginning of his or her program of study.

Please check the following statement that applies to you:

- _____ I am a student who is eligible for STRF and understand that I am required to pay the STRF assessment:
- _____ You must be a “California resident” and reside in California at the time the enrollment agreement is signed.
 - _____ You pay your own tuition directly or through a Loan for which you are required to pay back in its entirety.
- _____ I am a student who is not eligible for STRF and am not required to pay the STRF assessment:
- _____ You are a non-California resident at the time the enrollment agreement is signed. Students who are temporarily residing in California for the sole purpose of pursuing an education, specifically those who hold student visas, are not considered a “California resident.”
 - _____ Your full institutional charges are paid by a third-party. Unless a student has a separate agreement to repay the third party, a student whose costs are paid to the institution by a third-party payer shall not pay the STRF assessment to the qualifying institution. Examples of third-party payers are: Workforce Investment Act (WIA), Veterans Administration, etc.

My third-party payer is: _____

I understand that KPSAHS is required by the State of California to collect a STRF assessment from all eligible students based on the full institutional charges of the program in which I am enrolled. This is a one-time non-refundable assessment fee collected by KPSAHS and payable to the state at the beginning of my program of study.
